17th August 1898

From K. C. Cuttama Chetty Esquire

To H. V. Nanjundayya Esquire M.A. M.L.
Secretary to the Govt of Mysore,
General and Rev: Departments.

Sir,

With reference to your docket No: 2638/939 of the 5th April 1898 returning with certain remarks the refund bill for Rs 430/- submitted in favour of A. Hammiah, ferry contractor of the Tungabhadra River at Honnali and calling for a report on the points therein referred to, I have the honour

to

to state that as the arrangement sanctioned for the ferry contract for the year 1896 98 was not clearly applicable to the contracts of the previous years and could not be held to so apply, orders were issued for the recovery of the value of the boats which had been paid to the contractors from 1886. 87 to 1893. 94. Accordingly a sum of Rs 376/ was recovered for the 8 years from 1886. 87 and paid to the heirs of Aladhalli Hammaiah, the contractor for 1895. 96, who is since dead, in part recoupment of Rs 430/ which had been refunded out of his deposit for that year to the contractor

contractor of the previous year. There still remains a balance of Rs 54/- due to Aladhalli Hanumah. This deficit as may be seen from the reference has been caused by the ferry boats which were estimated to serve for 9 years from 1886-87 to 1894-95 having lasted only for 8 years. The contracts for the years constituting this period having been closed long ago, there seems to be no way of adjusting this amount, and it has to be paid out of Rs 430/- credited to Government on 31st July 1886 on account of the value of the boats.

therefore
